You & Me (1-3 years) enables you to learn, laugh and play with your child in a unique and safe environment. One parent or caregiver must participate with the child. This program is designed to improve physical and social development. We also have a [Movers and Shakers Playschool](#) class available.

You & Me II (2.5-3 years) involves structured activity. One parent or caregiver must participate with the child. This program is designed to improve physical and social development and prepare them for the Mini Tumbler Program.

Drop-in Program (3-5 years) is a non-commitment program where you and your child(ren) learn, laugh and play in a unique and safe environment.

Mini & Tiny Tumblers (3-5 years) programs are filled with structured activities and games involving basic gymnastics skills. Gymnasts will receive a progress report at the end of sessions 1 and 2.

Adv. Tiny Tumblers (4-5 years) is filled with structured activities and games involving more advanced gymnastics skills than the Tiny Tumblers program. It is encouraged that gymnasts have experience with the Tiny Tumblers program.

Mini-Elites (4-6 years, by invite only) focuses on more fundamental advanced skills than the Tiny Tumblers Program. Gymnasts have shown a high level of potential and will work on essential skills with a bigger focus on strength (upper/lower body, core), flexibility, landings, and balance.

Boys Tumblers 1 hour (5-6 years) introduces gymnastics skills on apparatuses for boys (rings, p-bars) in preparation for the Boys Tumblers program.

Boys/Girls Tumblers 1.5 hour (6+) & Advanced Boys (8+) During sessions one and two, our recreational gymnasts will progress through the CANGYM badge program as they acquire skills of increasing difficulty. Gymnasts will receive a report card detailing their progress at the end of the Fall and Winter Session.

Advanced Rec (9+) & Advanced Girls Tumblers (8+) is designed specifically to work on advanced gymnastics skills and does not progress through the CANGYM program. Previous experience is necessary.

Dance & Gym (5+ years) combines both gymnastics and half hour of dance. At the end of each session, gymnasts will present a group dance routine. During sessions one and two, gymnasts progress through the CANGYM badge program as they acquire skills of increasing difficulty. Gymnasts will receive a report card detailing their progress at the Fall and Winter Session.

Session 3 Spring Session all programs work on routines for the Year End Parents Day. Parents Day dates will be posted.
